AMENDMENT AND RESPONSE TO NOTIFICATION

This response corresponds to the Notification to Comply with Requirements for Patent Applications Containing Nucleotide and/or Amino Acid Sequence Disclosures mailed on 20 November 2007. This Amendment is timely filed in view of the enclosed Petition for a Two-Month Extension of Time, which extends the period available for response through and including 20 March 2008. Please amend the application as follows.

Amendments to the Specification begin on Page 2.

Remarks begin on Page 12.
